

Hatfield Peverel Infant School
Sport Premium 15/16 and Plans for 16/17

VISION: All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport in primary schools.

OBJECTIVE: To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

- The engagement of all pupils in regular physical activity - kick-starting healthy active lifestyles.
- The profile of PE and sport being raised across the school as a tool for whole school improvement.
- Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- Broader experience of a range of sports and activities offered to all pupils.
- Increased participation in competitive sport and other activities to build character and help to embed values such as fairness and respect

In order to help schools fulfil these objectives the Government started School Sport Premium Funding.

The funding amount schools receive is based upon the number of children of primary age in the school. The sport premium is to be used to increase the quality & breadth of PE & Sport provision, and increasing participation in PE & Sport.

The School Sport premium for this year 2015-2016

The 2015-2016 Sport Premium funding for Hatfield Peverel Infant School was **£8580**. Together with the carry forward from the previous year this amounted to **£10,305.00**.

Action	Cost	Impact
Release time for PE subject leader & staff to attend events	£862	Improved range of competitive sports for KS1 in particular run by Witham Area School Sports Association (WASSA). Continued access to sports events and competitions. Sporting success acting as a big motivator for fitness and aspiring sports people of the future (we won FS Mini Olympics, rounders and cross country; we came 3 rd in the Essex Key Steps gymnastics competition; we organised a hockey afternoon and attended tennis and handball events too). P.E. continuing to develop and retain a high status within the school
Coach travel for tournaments	£456.25	
Subscription to WASSA to provide competitions and supply cover for leaders to attend meetings and organise events.	(No charge in 2015/16 as carry forward enough to sustain)	
Money towards trophies, medals, venues for inter- school events	£25.66	

Subscription to '5 a day TV'. This is an on-line fitness program that offers 5 minute routines to help children's fitness and stamina. These are used first thing in the morning as brain awakers. It also offers a time to chill section which has been good for calming down children at the end of lunchtime play and at the end of the day if required.	£203.88	Improved co-ordination and balance. Improved alertness and readiness to engage in learning. Improved fitness and stamina. Opportunities for further assessment of pupils with gross motor issues.
Money for 3 teachers to attend a real PE course that focuses on the core skills and cognitive skills needed for Physical development.	Course £1455.00 Supply £535.50	Up skilled staff ready to deploy the REAL PE provision alongside the Essex Scheme of Work. Trials began and improved sportsmanship and a focus on basic skills are evident. Further days due in summer term (next budget). Training for remaining teachers is being sought next academic year.
Arranging and paying for taster sessions for children across the school for tag rugby.	£175	Taster day encouraging children to become involved in different sports in and out of school
Development of the Lunchtime Activity Pod which is encouraging the children to be more active at lunchtimes.	£491.65	Increase in productive and active tasks at lunchtime due to training for MDAs in Positive play.
Pay for LSA to run a Pirate club (fine and gross motor club) - 2 mornings a week.	£593.15	Improvement in gross and fine motor skills for target children.
Safety check of hall equipment	£40	Tidy, safe and easily accessible PE equipment enabling children to be more independent.
Kwik Cricket equipment	£59.86	Engagement in additional sporting and PE activities for breadth.
Other equipment	£253.90	
Day of Yoga Training delivered by a Yoga instructor for all staff to revisit Yoga skills and train new teachers. Additional resources	£685.00 £74.15	Weekly yoga lessons being delivered to all classes. Improvement in coordination, balance and self control. A favourite lesson for many active children who enjoy a quiet space and quiet time.
Purchase of 4 Samsung Galaxy Tablets and covers.	£790.85	Children filming their sequences and being able to evaluate and improve their performance.
Kit for staff	£40	Ensure staff model correct kit for physical activity.
Total	£6,741.85	

We believe that in curriculum time, teachers should not be replaced or displaced by coaches, but rather support their work and ensure provision is enhanced. Coaches can make a valuable contribution to PE and school sport by using their skills to improve the technical knowledge and confidence of teaching staff, as well as delivering additional breakfast and after school provision.

The school further increased the quality & breadth of PE & Sport provision and the level of participation in PE & Sport across the school by:

- Buying in qualified coaches to deliver lessons alongside teachers
- Continue the Real PE training for 3 teachers and ensure that this is disseminated to all staff
- Use the 3 trained LSAs to support gymnastics in the school
- Ensure the children use the tablets for recording their work and thus improve their performance
- Monitor the existing new initiatives to ensure they are having an impact on the children
- Sustain the level of after school clubs and sport taster days for the whole school.

The School Sport premium for this year 2016-2017

The 2016-2017 Sport Premium funding for Hatfield Peverel Infant School is **£8,592**. Together with the carry forward this amounted to **£12,195.15**
