

My  
Maths Targets  
EYS1

 I can recite my numbers up to 10.

 I know a simple number song or rhyme.

 I can accurately count up to 3 or 4 objects.

These are a selection of the targets children will be working on in their school work at this level. Please note that these are just a sample and there are a range of other skills we teach the children before we move them to the next stage.

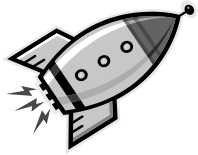

My  
Maths Targets  
EYS2

 I can select the correct number to represent 1 to 5 objects.

 I can add two small groups of objects practically by counting them.

 I can spot different 2D shapes in the local environment (e.g. circle, square, triangle).

These are a selection of the targets children will be working on in their school work at this level. Please note that these are just a sample and there are a range of other skills we teach the children before we move them to the next stage.

My  
Maths Targets  
EYS3

 I can count objects to 10 and beyond.

 I can say the number that is one more or 1 less than any number (up to 10).

 I can order two or three items by length, weight or capacity.

These are a selection of the targets children will be working on in their school work at this level. Please note that these are just a sample and there are a range of other skills we teach the children before we move them to the next stage.

My  
Maths Targets  
EYS4

 I can count and order numbers to 20.

 I can double numbers up to 5+5 and halve even numbers up to 10.

 I can add and subtract two single digit numbers using objects or by counting on or back.

These are a selection of the targets children will be working on in their school work at this level. Please note that these are just a sample and there are a range of other skills we teach the children before we move them to the next stage.
