

My
Reading Targets
Purple Books

 I can predict the content, layout and story development of a variety of books.

 I can read silently using punctuation to keep track of longer sentences.

 I can solve most unfamiliar words on-the-run.

 I am starting to notice literacy effects used by writers.

These are a selection of the targets children will be working on in their reading at this level. Please note that these are just a sample and there are a range of other skills we teach before we move them to the next stage.

Don't forget!

There are lots more ideas of how to help at home inside your child's Reading Trail.

Children should be able to read Buzz Words 1 to 6 easily by the time they get to the end of Year 1. They should be able to spell at least Buzz Words 1 to 4 and some of Buzz Words 5 and 6 too.

Children should be able to read all Buzz Words (1 to 8) easily by the time they get to the end of Year 2. They should be able to spell the majority of these words accurately in their everyday writing too.
