

My  
Reading Targets  
White Books

 I sustain interest in longer texts, returning to them easily after a break.

 I can search for and find information in texts more easily.

 I notice the spelling of unfamiliar words and relate this to words I already know.

 I understand and use a wide range of vocabulary that I find in my reading.

These are a selection of the targets children will be working on in their reading at this level. Please note that these are just a sample and there are a range of other skills we teach before we move them to the next stage.

Don't forget!

There are lots more ideas of how to help at home inside your child's Reading Trail.

Children should be able to read all Buzz Words (1 to 8) easily by the time they get to the end of Year 2. They should be able to spell the majority of these words accurately in their everyday writing too.
