

ERIC would like to know.

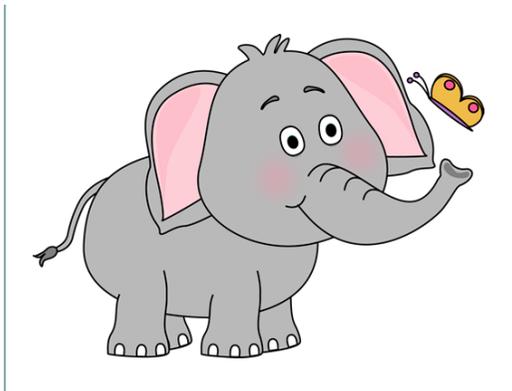

**when your child does something at home that you are proud of!**

Please tell Eric by using one of 'Home Eric notes. The children can post these messages in Eric's post box in the hall to be read out in assembly. More blank notes are available from the blue rack by the school office.

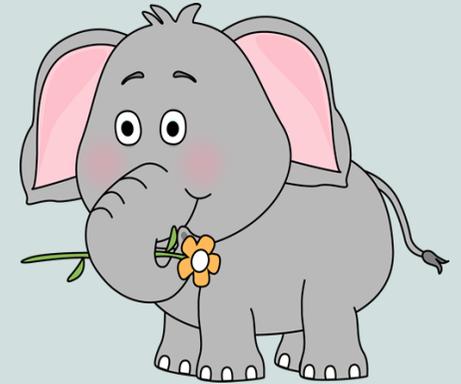

Thank you!

During the current pandemic please upload to Tapestry

# ERIC

effort

respect

independence

communication

Individual ERIC tokens are given to the children in school for showing any of the ERIC values.

These can be awarded to the children by any adult in the school

These tokens are put onto the class Eric Rewards chart.

Each week the tokens are counted and the class with the most amount of ERIC tokens keep the ERIC cuddly toy for the week. The class also gets a point .

At the end of the term the points are counted up and the class with the most points get a treat, encouraging team work.

When your child achieves all targets in an area they are given a star in assembly to take home.

## Year Reception TARGETS

### EFFORT

I can do my best

I can try hard.

I can keep going when things are difficult, with support.

I can get better at what I do.

### RESPECT

I can say please and thank you.

I can be kind and helpful to my friends.

I can do what grown ups ask me to.

### INDEPENDENCE

I can look after my own things.

I can think before I do things..

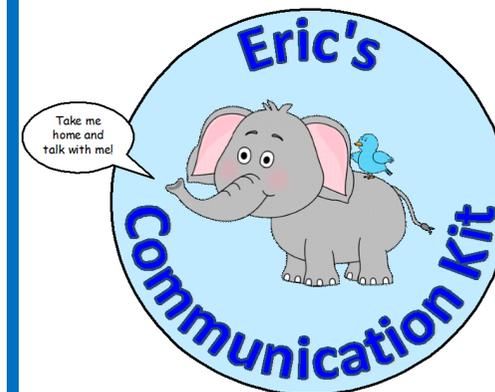

I can try to do things on my own.

I can find or ask for my own equipment

### COMMUNICATION

I can wait my turn to talk

I can look at the person who is talking to me.

**Each class have an ERIC communication kit which they can take turns to bring home and play with and use for a weekend.**

**This is very popular so the children are chosen at random , and need to be patient for their turn.**
