Winter Reading Challenge

Please remember the Winter Reading Library challenge at local libraries goes on until mid February. It is open to children up to the age of 16 and is a great way to increase your child's reading and motivation to read.

Our own reading challenges.

Reading and loving it display

We have an empty display ready for children to fill by taking part in challenges across the school.

They can write a book review, send a photo of themselves reading in unusual places, draw a picture of a character they love and write about them if they want to. Find out and write some fantastic non fiction facts they want to share with us. Anything book related at all in fact. We can't wait to see what they come up with.

Changes to our reading books system:

Please see the letter attached re changes to our reading system and books being sent home.
