## Harvest Festival

Thank you so much for your contributions to the Food bank for Harvest Festival. The photograph shows about half of what we received, which is fabulous.

As we were unable to go to the Church the children performed their own Harvest Festival in class, and I was invited along to see them.

Many of the classes uploaded videos of their songs and poem for Harvest. Well done to the children, learning all those words and performing them beautifully. Learning poems and songs helps the children with developing vocabulary and pronunciation, rhythm and rhyme as well as communicating in sentences. All of which leads to better speaking and listening skills and ultimately with their reading and writing.

Look out for up and coming events all term.

We will be rescheduling the reading and phonics workshops for parents for later in the term.

### Volunteers to help in school

We are delighted to be able to invite parents back into school to help.

If you would like to help in school please call the office and leave your details.

We need people to support with a whole range of things: reading, art, sewing, games and other activities.

Come and join us!

### Named uniform

Thank you so much to all those parents who have named their children's uniform. So far the lost property box is still quite empty. I was giving ERIC tokens out today for children with named uniform and there were so many and it was lovely.

It has really helped us sort out odd shoes, jumpers and track suit tops that look the same and a potentially pistols at dawn over water bottles!

Please do not worry if your child was not one of my random checks, we will be doing a uniform ERIC reward and sticker day next week.
