Lest we forget

★★★

★ **Remembrance** ★

★ We gathered together today on the playground to hold our 2 minute silence and have time for reflection.

★ It was lovely to have the whole school together, albeit at a safe distance from each other. Apart from our fire drill this was the first time we were all together. It added to the poignancy of the moment for us to reflect on the simplicity of connection with people as being so important.

★ Thomas in Year 2 ended the silence with a simple and short thank you prayer 'for the soldiers who died to protect our world and freedom'.

★★★

★★★

★ **School photographs** ★

★ The photographs have arrived and children will be bringing home their proof. The ordering is on line only. Any queries please contact PSP Ltd directly. All details are on the proof.

★★★

★★★

★ **Flu Immunisation** ★

★ Please remember to go online and complete your permission for your child to have the Flu Immunisation on the 30th November. The link was sent via ParentMail previously. The School Nurse Team need to know yes or no so please reply even if you do not want them to have it.

★★★

★★★

★ **Children in Need.** ★

★ Friday is a non uniform day and donations will go towards Children In Need.

★ There will be a collection box available for the children to put their donations into when they arrive at the classroom door.

★ We will then leave these for a few days before we take them to the bank for paying in.

★ The children will be doing some activities in class during the day which will be shared on Tapestry.

★ Thank you in advance for your support to this amazing Charity.

★★★

★★★

★ Applications for school places are now open for Reception and Year 3 children for 2021. You need to apply online at School admissions. Even if your child is moving on from us and going to the Juniors you still need to apply for the paperwork to be in order.

★★★

Pupil Premium

The Corona virus pandemic has had an impact on many people this year around personal circumstances. If your circumstances have changed your child may be eligible for Pupil Premium support.

Please contact the school to support you with a Pupil Premium application. The school is then awarded an amount to help to support that child in learning and accessing certain things in school such as extra adult support, uniform, payment towards fees/clubs etc.

Parents evening

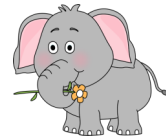

Parent consultation appointments took place over two evenings and were a success for the most part. I am pleased to hear from staff that parents and children are happy with progress and organisation of learning. There were some questions around reading books and availability, so from next week the children will be bringing books home on Tuesday as well, provided they return the Friday books.

Tuesday books go home and return Friday

Friday books go home and return on Tuesday.

If your child is absent please report this through Studybugs NOT parent-mail. Studybugs comes through to the office directly whereas Parentmail has to be opened and that is not always done first thing.

Thank you

We have quite a few children with Chicken Pox. This is a link to support you and provide you with information.

[NHS.UK/conditions/chickenpox](https://www.nhs.uk/conditions/chickenpox)

Anti-bullying week.

Next week is National Anti bullying week.

We will be revisiting and learning about bullying and what it is and especially the difference between an incident and bullying; how to react and deal with it and reinforcing our behaviour policy.

You will receive a copy of the behaviour policy and the anti-bullying policy by parent mail so you can support your child if they have any questions at home. (Both of these are always available on the Website).

Dates for your diary:

Non uniform for children in Need Friday
13th November

Flu immunisations
30th November
