Well done for being spotted following our lunchtime rules.

This week we were looking for children who are being polite

Class Assemblies

We have had two lovely class assemblies since our last newsletter.

The children from Sapphire and Diamond classes presented their learning and their achievements to their parents and they did brilliantly. There was so much to see and listen to and the children were confident, enthusiastic and enjoyed themselves.

Well done to both classes.

Grandparent's morning

It was so lovely to see a school full of grandparents. It is always one of our most enjoyable mornings. A great pleasure to reinstate it this year!

The children were very happy and all so eager, to show their classrooms and their work and activities to proud grandparents. Thank you to all the grandparents who joined in with other children too.

Attached to this email are the photographs. There may be more on Tapestry for individual classes.

Thank you also, to the grandparents who signed up to come into school to hear children read.

Whole school Enterprise challenge

This half term, every class will be taking part in our exciting 'Make £15 Grow' entrepreneurial challenge.

Each class will be given a £15 loan to buy resources and get their businesses started. The children will use these resources to create items which they will sell to parents, friends and family, with the aim of making as much profit as possible.

Family and friends are invited along to class sales on the following dates:

Reception - Tuesday 24th May at 2:30pm

Year 1 - Wednesday 25th May at 2:30pm

Year 2 - Wednesday 8th June at 2:30pm

The class that generates the most profit will receive a Maths prize for their class.

The rest of the money will go towards Maths resources for the school.

ISA Fun day is back! HELP NEEDED

The ISA and the school still need your support to help out with the organisation for Fun day so that it can go ahead and be successful and support your children with much needed resources.

We are so grateful for having these funds to use and for the hard work of the ISA members and committee.

Please do support them, they need volunteers desperately for this event and there are so many small, but important jobs to be done. The theme this year is The Queen's Jubilee and the whole day is so much fun for the whole community, not just our school. It will be so good to have it go ahead after 2 years, but it is an undertaking and the more people available to help the better. If you are able to help **AT ALL** please contact the school office, or one of the ISA members.

Funds for the school means we can do far more and make the learning more fun, active and memorable for the children.
Thank you.
