Christmas wishes fundraiser for Charity
Thank you for your donations and the wonderful wishes decorated by the children. They look fabulous in the hall. We raised £84 for Little Haven's Hospice.

Santa came to visit.
The children were delighted when they heard the footsteps on the roof and the jingle bells of the reindeer. Sure enough it was Santa. He met all the children and gave them all an early gift for Christmas.
How wonderful to see him.
Thank you for the reindeer food organised by the ISA, they are going to be very well fed reindeer.

Christmas Concerts

WOW! How proud we are of the children and the performances they gave us in the Year 1 and Year 2 Nativity concerts. The children and staff worked so hard to prepare and perform. They did so well with the number of words they needed to learn for narration, acting and singing, whilst dealing with costumes, props and technology.

No matter how many years and how many Christmas concerts I see, I am still blown away by how capable and confident some of these, still very young, children can be. I am also always entertained! A chance to perform always shows us different sides and talents of the children. Some beautiful singers, actors and movers.

Well done to all of the children and thank you to the staff who plan, organise, teach and encourage the children.

Year 1 and Year 2 look out for your video link to the Nativity concerts.

Thank you to Mr. Smith who has recorded both concerts for us.

We hope to restart afternoon reading after Christmas but will need to wait until the new year to see what the position and advice is around Covid.

We will also need to be mindful of this for the maths workshops we have planned.

Reading trails will not be sent home for Christmas
